

## Fix-Cut I

The **Fix-Cut 1** set includes professional scraper blades. The handle lets you use the tool more easily.

**Scope of delivery**

- 2 x 547033 scraper blade 20 mm
- 2 x 547034 scraper blade 25 mm
- 2 x 547035 sandle for scraper blades
- 1 x 547037 grinding stone silicium carbide
- 1 x 474251 Allen key | 4 mm
- 1 x carrying case

The blades have a curved back to remove the PU adhesive.

The side wings are rounded. This lets you adjust the blade sharpness as needed.

The correct adhesive thickness is retained so that subsequent re-gluing is possible without any problems.
